

# AGED CARE EXPERT SPEAKER BASELINE TOOL

## To be completed **PRIOR** to the conversation recording

Thank you for taking part of the Speak My Language (SML) program. We will be evaluating many facets of the program. This questionnaire is designed to collect baseline data so we can measure the effectiveness of the supports provided to you in preparation for your role.

Your responses assist us to learn more about the effective engagement of aged care expertise so we can improve the way we deliver future programs. It should take no longer than 5 minutes to complete

### Question 1: Rate how confident you are currently feeling about your current skills to: *(tick the corresponding box)*

	Very Confident	Confident	Neutral	Not Confident	Extremely Not Confident
Participate in Café Conversations					
Participate in love radio programs					
Use your language skills to discuss aged care and / OR allied health OR cultural/ spiritual perspectives on air					
Provide on-air clinical/ health / aged or cultural perspectives pertaining to CALD consumers raised during the CAFE conversation recordings					
Provide professional comment OR cultural / spiritual perspectives on the topic being discussed whilst being <b>broadcast on air/ live radio</b>
