

AGED CARE EXPERT SPEAKER FINAL EVALUATION TOOL

To be completed **AFTER** the conversation recording

Thank you for taking part of the Speak My Language (SML) program. We will be evaluating many facets of the program. This questionnaire is designed to collect data so we can measure **HOW DIFFERENTLY YOU FEEL** after participating in the program. We will use this to measure the effectiveness of the support we provided to you, in preparation for the role and assist us to improve the process for the future.

It should take no longer than 5 minutes to complete

Question 1: Rate how confident you feel now about your current skills after you have recorded:
